Institutional Management
Michigan State University

Dear Professor Greenaway:

STATINTL

Thank you for all the trouble you went to last week to help Mr. [REDACTED] and me in connection with the problems we face in providing food service for our proposed new building. It was a most pleasant and profitable day for all of us and I am sure that many of the things we learned from you will have real practical application as our planning goes forward.

You were more than generous with your time, and we all enjoyed a delicious lunch very much indeed. You are certainly to be congratulated on the fine installation you have there. Please express our sincere appreciation and thanks to Emery Foster and Mike Dmochowski.

STATINTL

I hope that you will give me a ring when you are in Washington. Perhaps we can corner the [REDACTED] boys for a social moment or two and repair any gadgets that may be in need thereof.

Thanks again for all your time and trouble.

Sincerely,

/s/

L. K. White
